Series 600

Policy Title: System Accountability Committee

Code: 616

It shall be the policy of Independent School District #2184, in accordance with Minnesota Statute that a system accountability committee be established to develop a process for curriculum evaluation and planning for the continual improvement of the educational program for all children in the Luverne School District #2184. It is the hope of the Board of Education that this process will help the Board make decisions concerning which services can best be provided by District #2184 and which services can or should be provided by other institutions such as family, private institutions, or other public agencies.

The School Board of District #2184 directs said system accountability committee to develop a policy for review and adoption to include:

- A. The educational philosophy and goals of our District
- B. Procedures for achieving the goals
- C. Procedures for evaluating progress toward achieving the goals
- D. Procedures for reporting progress toward achieving the goals
